

Product Range India and SAARC

PRODUCT RANGE INDIA AND SAARC

Solutions	Products
Access and Identity Management/ Privilege Account Security	 
Application Performance Monitoring	 
Application Security Testing / Cyber threat Intelligence Platform	   
APT Security / Cyber Security	  
AI driven WIFI / wireless device performance	  
Behavioral Analytics	 
Cloud Security / Migration	   

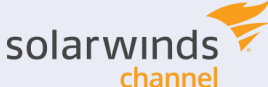

Product Range India and SAARC

Product Range India and SAARC

Solutions	Products
Compliance & Risk Management/ Security Information & Event Management/ Log Analysis	     SecurityScorecard
Data Security: DLP, Data Encryption, Enterprise Digital Rights Management, Enterprise File Sync & Share	 
Database: Encryption, Security, Monitoring	  
DDOS / Advanced Threat Intelligence	   
Data, Network, Endpoint Forensic	   
DAST/SAST/App Sec	
Data Classification / Data Discovery	  

Product Range India and SAARC

Product Range India and SAARC

Solutions	Products
Deception/Honey pot/Decoy service	 
End Point Security / Advanced Endpoint Detection & Response	   
End User Experience	
Enterprise Mobility Management / Enterprise Security	 
Enterprise IT Management & Monitoring (Network & Security)	      
File Integrity Monitoring /File Activity Monitoring	  
IT Asset & Patch Management	   

Product Range India and SAARC

Solutions	Products
IOT	CYBERX  
Mail Security	  <small>Control tomorrow's email risks today</small>
Micro segmentation / Unified threat visibility and analysis	
MSSP	TATA COMMUNICATIONS
Network/Perimeter Security: Firewall, VPN, IPS	 
Security and Risk Ratings	  
Threat Detection / Threat Intelligence	CYBERX  

Product Range India and SAARC

Solutions	Products
Two-Factor, Multi-Factor Authentication	 Symantec.  RSA
Traffic Analysis / Bandwidth Management / Network Visibility Solution	 allot  ARISTA  riverbed  solarwinds channel
The Cross-Cloud API Management vendor / API Connector	 apigee  SecurityScorecard
Wan Optimization / Software Defined WAN/	 riverbed  Symantec.
Web Security / Web Defacement Security /Web Application	 Symantec.  paloalto NETWORKS  imperva
Vulnerability Assessment	 CYBERX  tenable network security  tripwire  spirent Promise. Assured.
5G/Wireless/4G LTE Testing	 spirent Promise. Assured.
